

## Shopping Cart Validation

Before your Enrollment Appointment begins, you will have a Validation Appointment. Plan ahead to check if you have met the prerequisites for a class, time conflicts, and other registration issues before your enrollment appointment by using Shopping Cart Validation. **\*Validation does not guarantee enrollment in a class.**

1. Sign into your student portal at my.ucsc.edu.  
Navigate to My Student Center Page.
2. Click on Enrollment Shopping Cart.

6. The results show whether you can add the classes you have selected or if potential problems exist.

**Important:**

If more than one potential problem exists, validation will only display one message at a time.

A student must (either conditionally or actually) satisfy the prerequisite in a prior term to be able to validate a class for the current term.

**\*Remember,** validation does not guarantee enrollment in a course.
