

Loading Grades to the Grade Roster

Step 1 – Prepare Your File for Upload

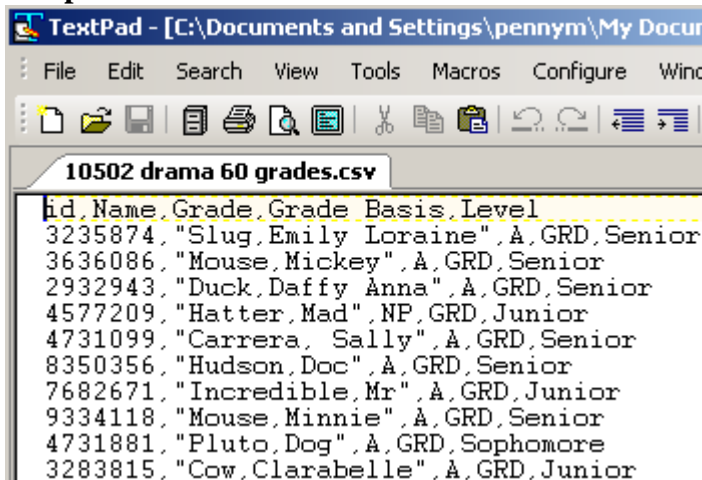

- File name must start with the 5-digit class number.
- The file must contain one header row and it must include one column named **ID** (the students' IDs as listed on the class and grade rosters) and one column named **Grade**. All other columns found in your file will be ignored.
- Use CSV (Comma delimited) (.csv) or Text (Tab delimited) (.txt) files.

Sample tab delimited .txt file
