Finding Course Prerequisites

1. Navigate to the Course Catalog page. On the NavBar, click the Navigator button and then go to:

   **Curriculum Management > Course Catalog**

2. Enter **Course ID** or the **Subject area** (e.g. Chem) and **Catalog Nbr** (e.g. 1B).

3. Click “Search”.

4. Click on the “Offerings” tab.

5. The “**Enrollment Requirements Group**” box at the bottom of the tab contains information about the prerequisites that must be met before the student can enroll in the course. The “**Detail**” hyperlink contains additional information.

   ![Diagram of Enrollment Requirement Group](image)

   - Check the Enrollment Requirement Group box for a list of prerequisites.
   - Click the Detail link for more information about prerequisites.
