## How To Edit a Wait-Listed Course

If you are unable to successfully enroll in a wait-listed course because of too many credits or a time conflict, you can edit your waitlist.

1. Sign in to MyUCSC. Select the Enrollment or Student Center tile.

2. Select the edit tab on the top of the page. Select the correct quarter and choose the wait-listed course you would like to edit. Select Proceed to Step 2 of 3.

If you drop the class that you have specified as your Drop if Enrolled class, you will remain on the waitlist, but without a Drop if Enrolled class. You may not get into the wait-listed class if your enrollment will exceed your credit limit. In this case, you may edit your waitlist enrollment to specify a new Drop if Enrolled class.
